In the past, we've called the Mac our secret weapon Here's what owner and developer Austin Meyer has to say about it:People

---

ask me all the time: "Austin, how can you compete with bigger companies? You cannot possibly stay in the flight sim business! You will be out of business by the end of the year!" (Never mind that they have been saying that since X-Plane was introduced in 1994!) Part of the answer to that question is that I have a secret weapon that helps me develop X-Plane at a much faster rate than any would-be competitors.. Baking Simulator 2014 Baking Simulator No Download Mac Simulator Download Play Baking Simulator Cooking Simulator.. OS X Mountain Lion brings a lot of great things from iPhone, iPad, and iPod touch to the Mac.
